## BOSJES JOURNEYS

### Bosjes Cleansing and Detox Journey

**R1200 | 120min**

Mongongo Nut has been scientifically proven to promote powerful detoxification of the body. Start your detox journey with a steam room session to release toxins, stimulate circulation and remove skin debris with a Mongongo Nut scrub. The steam room session is followed by a detox gel wrap, reflexology, shower and full body lymphatic massage.

### Bosjes Well-Being Journey

**R1320 | 120min**

A luxurious treatment to repair and heal skin on a deep cellular level. Your journey will start with a relaxing rasul session followed by a full body massage, incorporating Bosjes Orchard Balm together with Herbal Poultices to relieve tension, aches and pains and increase circulation.

Rose Quartz helps alleviate the appearance of puffiness and tired skin in an extravagant face massage improving your skin's elasticity, giving you a luminous glow.

## HOT SPA FACILITIES

### Rasul Exclusive

**R1200 | 30min**

**Shared R300 | 30min**

The rasul is a steam room which combines the health enhancing properties of mud, steam and exfoliation that leaves you relaxed and your skin nourished and cleansed.

This self-applied treatment takes place in a private chamber under the light of a thousand stars. To complete the journey, a rain shower will announce the end of your treatment.

### Sauna

**R200 | 20min**

Visit our sauna to relieve muscle aches and ease arthritis. Alternate heat with a cold open-air shower to improve circulation. The use of the sauna is complimentary with any other Spa treatment.
